

BOAT EMERGENCY INSTRUCTIONS

Please remain calm, listen to and follow instructions provided by the captain and crew.

If you see smoke or suspect a fire, please notify a crew member.

This boat is equipped with a fire extinguisher, and other emergency equipment.

If a passenger is in distress, please notify a crew member immediately.

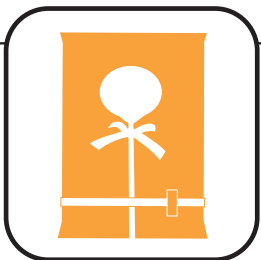

If you are medically qualified and able to assist, please identify yourself to a crew member.

Notify a crew member of any suspicious package or activity on your boat, in parking facilities, or at the docks.

All boats are equipped with emergency police notification systems.

MBTA Police can also be reached at 617-222-1212.

Exit the boat only when directed by boat crew.

Personal flotation devices are clearly marked and can be found on board. Crew members will inform you of specific locations and donning instructions.

Use caution, docks may be slippery.

Please remember to use handrails and assist disabled or elderly passengers.

safety is knowing
